

Code of Conduct for Parents and Spectators

Parents and spectators have a great influence on children's enjoyment and success in football. The children should be encouraged to play football for the fun, enjoyment and love of the game. It is important that parents and spectators recognise this spirit and should positively encourage the children in order that:

- Children are enabled to enjoy football
- They each have a sense of personal achievement
- They improve their skills and techniques.

The expectations and attitude of all parents and spectators have a significant bearing on a child's attitude towards:

- Other players
- Officials
- Managers
- Spectators

All parents and spectators are actively encouraged to:

- Applaud good play – the opposition as well as your own team
- Avoid coaching the children during the game
- Refrain from shouting and screaming
- Respect the decision of any Official
- Give attention to each of the children involved in football – not just the most talented
- Give encouragement to all who participate in football

Breach of any of the above regulations may result in AFC Aldermaston requesting the parent's or spectator's removal from the club.
